Her LISD activities include student government four years, Beta Club three years, yearbook three years, drill team three years and FCA three years. Her accomplishments in these activities include president of student government one year, president of Beta Club one year, editor of yearbook one year, co-captain of drill team two years and secretary of FCA.

Some of Catelyn's favorite things are the following: food, cheeseburger from Adair's; drink, root beer; color, blue; place, her grandma's house; movie, Urban Cowboy; actor, Johnny Depp; actress, Sandra Bullock; athlete, Tim Tebow; team, Dallas Cowboys; song, Anything by Elvis; person, her baby sister, Avery; book, any of the Harry Potter series and sport, football.

Catelyn's favorite things at LHS are Coach Connelly's classes and lazy days as a senior. Her favorite thing to do in her free time is to relax and spend time with friends.

The advice she gives to underclassmen is "Enjoy every day of high school because it goes by fast. Really!" If she could do anything, she would save someone's life. If she could change anything, she would end racism. Her pet peeve is snobby people and people who gossip all the time.
