May 19, 2011 - Lindsey Michelle Stanley is the 18-year-old daughter of Gary and Sheryl Stanley and has attended Leonard schools 12 years. She has been active in softball four years, basketball two years, volleyball three years and student council three years; was named Class Favorite for school spirit three years, Co-MVP for softball two years, and 2nd Team All-District pitcher and received the LHS Fighting Heart Award for 2010-11.

Some of Lindsey's favorite things are as follows: food, quesadillas; drink, Dr. Pepper, color, camouflage; place, Southern Junction; movie, How to Lose a Guy in 10 Days; actor, Matthew McConaughey; actress, Sandra Bullock; athlete, Josh Hamilton; team, Texas Rangers; song, Are You Gonna Kiss Me or Not by Thompson Square; person, dad; book, Beyond Belief by Tim Keown; and sport, softball.

Her favorite memories at LHS are prom night and the football playoffs. Her favorite thing to do in her free time is dance. Her advice for underclassmen is "Make high school fun, and don't cause trouble." If she could do anything, she would fly in an airplane. If she could change anything, she would lower gas prices.

Lindsey's pet peeve is people who do not give 100% in everything they do.

After graduation, she plans to attend Grayson County College.
