Jan. 27, 2011 - TrailBlazers Health Enterprises' Texoma Operations Center staff recently donated \$750 to the Fannin County Children's Center.

"We are thrilled to receive such a generous gift," said Sandy Barber, Executive Director of the Children's Center. "This gift will help sustain our CASA and Children's Advocacy Center services for kids who have been abused or neglected."

TrailBlazer President Gil Glover stated, "It is an honor to support an organization that is dedicated to protecting and enhancing the lives of abused and neglected children in Fannin County.

Our more than 500 employees based in Denison live throughout the Texoma region, and they take great pride in TrailBlazer's support of service organizations in the area. Many also contribute both their personal time and financial support to various projects throughout the year."

The Children's Center will begin another training class for CASA volunteers on Feb 3. To learn more, call (903) 583-4339 or visit www.fanninccc.org or www.becomeacasa.org.
