May 19, 2011 - The Fannin County Master Gardeners will hold their business meeting on Monday, June 6, at noon in the Williams Building at the First Presbyterian Church located at the corner of Center and 9th Street.

Are weeds taking over your lawn, and your lawn not as lush as you would like? Stay after the business meeting at approximately 1 p.m. for a special program by Sue Malnory, a Master Gardener from Grayson County, who will talk about these issues and more regarding lawn care.

Anyone in the community who is interested in learning more about gardening are welcome to attend this presentation. Attendees do not have to be a master gardener. For more information please contact the Fannin County Extension Office at 903-583-7453. Texas AgriLife Extension programs serve people of all ages regardless of socioeconomic level, race, color, sex, religion, disability, or national origin.
