May 19, 2011 - Leonard Manor celebrated National Nursing Home Week last week. On Monday, the staff and residents enjoyed dressing in crazy hats and eating desserts. On Tuesday, they had a 50's theme with donuts for all shift staff and residents, followed by nachos and crazy dressing on Wednesday. Thursday was western day and attendees enjoyed ice cream floats. The week was finished off on Friday with hamburgers and fixings for all of the staff and residents. They also enjoyed playing Minute to Win It every day. Anyone interested in attending activities at the nursing home may do so.
