May 19, 2011 - The Leonard City Council met on Tuesday evening, May 10 for a very brief session, of which the majority of the time was spent in executive session. At 7:39 p.m. the council members and staff came out of executive session and Councilman Larry Thompson made a motion to approve contracts for Allecia Booher for full-time City Administrator and for Butch Henderson for part-time City Administrator until Sept. 30, effective May 10. The motion was seconded and got unanimous votes. Henderson will officially retire effective Sept. 30, 2011.

In other business, council members approved consent items for the previous month and listened to a report from Henderson on the groundwater conservation board.
