Butch Fowler Sells FFA Angus Steer To Farley & Hill Grocery and Market

Butch Fowler bought his FFA project, an Angus calf, October 8, 1960 for \$70 from Floyd Flanagan when he weighed 350 pounds.

For 120 days Butch fed the calf a total of 900 pounds of F.F.A. feed which was composed of combined maize, cotton seed meal, syrup and salt. The calf gained a pound and one-half daily during this period, making a total gain of 186 pounds.

Butch sold the steer to L. C. Hill Monday, February 20, 1961. It weighed 536 pounds and brought 26c per pound.

Butch is the son of Mr. and Mrs. Buster Fowler and a freshman in Leonard high school.

Mr. Hill has announced the beef will be on sale at Farley and Hill Market this week end.
