MAY 5, 2011 - The community of Leonard is invited to participate in the National Day of Prayer event that is held each year on May 5. Area residents are invited to come to the Leonard Square at 7 p.m. on Thursday night for a time of prayer, music, praise, and scripture sharing. Several local churches will be participating in the annual event hosted by Valley Creek Baptist Church, by performing special music. Bring a lawn chair and join this time of prayer for our nation, state, city and town. Brian Hawkins will be the speaker for the event.
