March 17, 2011 - Grandparents were invited to attend the annual Celeste Elementary Grandparents Day event on March, 10, 2011. Grandchildren greeted grandparents and great-grandparents with gifts they had made in honor of the golden guests. Students decorated the gym with special class projects they had created for this special event. Celeste students and their grandparents got to spend some quality time together while enjoying cookies and milk.

Bethany and Brenden Carter had grand and great-grandparents in attendance! Pictured are, l to r, James Carter, Jessie and John Odell, Bethany Carter, Cheryl Carter and Brenden Carter. - Photo courtesy of Julie Dillard
