May 12, 2011 - Every year Celeste Elementary third grade students enter a cabbage growing contest sponsored by Bonnie Plant Farm's Third Grade Cabbage Program www.bonnieplants.com. Each third grader is given a cabbage plant to take home and grow.

This contest is designed to get kids interested in gardening and growing vegetables. The contest winner from each class can enter a state competition for a \$1,000 scholarship. Britton Evans from Mrs. Risky's third grade class has been selected as winner. He is eligible to compete in the State competition.
