A three-car collision that occurred on State Highway 121 last Thursday killed one, and seriously injured a man who has been lifelong Leonard resident. This makes the third fatality accident in a few short weeks between Melissa and Westminster and continues to raise concerns with regard to the safety of the road. As is always the case when a major accident happens on Highway 121, residents in the area hold their breath as they wait to hear if their friends or family were involved since the highway is a major thoroughfare for those working in or traveling to the McKinney area. For one Leonard family, that was a nightmare come true last Thursday.
